

# I CAN Learn® Success in Birmingham

*I CAN Learn® Dramatically Improves Scores*

Results on the SAT-9 Math Total Battery for 2,041 traditionally-taught students and 473 I CAN Learn® Students in Birmingham revealed a significant advantage [ $t = 7.2, p < .0001$ ] for I CAN Learn® Students.

School-by-school analyses revealed that students in I CAN Learn® Classes in all five schools using the I CAN Learn® System outperformed their peers in the same schools not using the I CAN Learn® Education System.

Both male and female students in the I CAN Learn® Classes outperformed traditional students.
